

Technical information and stage plan – La Marche

For rooms up to 150 people we have an own sound system and only need a 230 Volt connection with a 16 A safety. We don't have a lighting system.

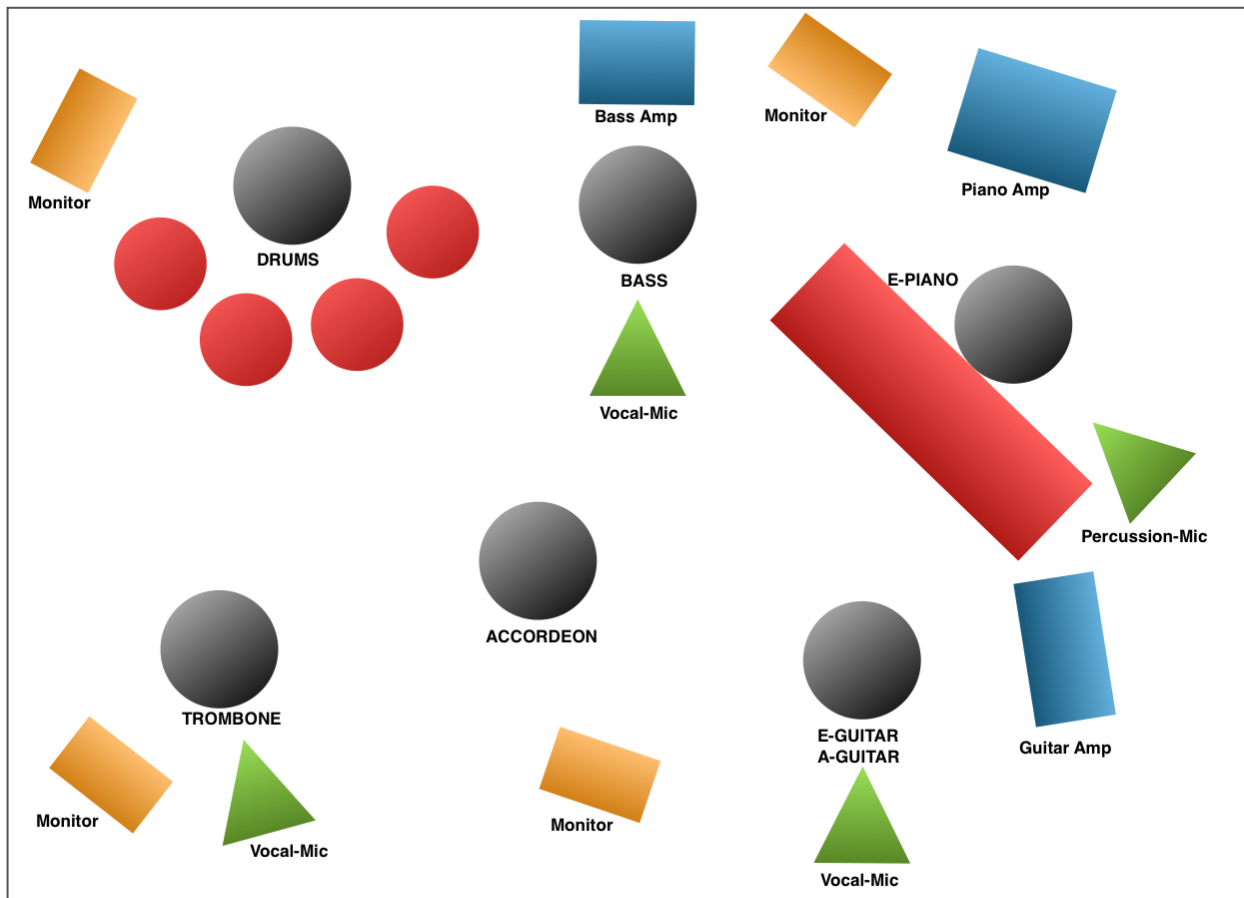

For bigger events we need the following equipment:

- 3x Mic Vocal (Sure SM 58 or alike)
- 4x Mic drums
- 1x Mic percussion
- 1x DI piano
- 1x DI accordion
- 1x DI electric bass
- 1x DI guitar
- 1x Mic electric guitar
- 1x Clip Mic trombone
- 16 canal mixer
- min. 4 monitors
- PA
- stage size: 6 x 3 meter
- if Open Air: weather resistant roof and 3 side walls

If we have guest musicians, the list can be extended.

For street music or smaller events we have the ability and experience to play unplugged.
